The March number of the "Book and Journal" commences a New Series of "Serinous for the People." Of the former series, Five Editions have been issued, and it is hoped that the New Series will prove worthy of still more extensive circulation. Subscriptions are coming in constantly.

The Subject of the New series is, "The Peerless Magnificence of the Vord of God; or, the Supremacy of the Bible, as the only Sensible, Infallible, and Divine Authority on Earth." The Text is—"Thou hast magnified Thy word above all Thy name."—Pa. exxxviii, 2. The Design is to assert and maintain the distinctive character of the Bible, as from beginning to end, the Book of Christ, and, as such, the Mediatorial Law of the World.

In a word, the "Book and Journal" is designed to be"
